were to be eight "ships" in it, but one All Haviland Machines, blew a tire and couldn't start. The others toed a mark. Four were from the seven machines which carried Roosevelt Field, two from Brindley and

and a double X daredevil as well, caused was much talk of Moissant, of Arch
the Hazlehurst lads to double their deHoxey and Johnstone and others, who
plorable bets. Such gamblers' rivalry
competed in the meet of 1910, and soon
is discouraged, of course, by the army
authorities, but no way has yet been
found of keeping sporting blood down to
the proper temperature all the time.

Sixty-five planes took part in the carthe "white arrow" was leading was
fivel whose purpose was to rake morey. the "white arrow" was leading was fisshed from New York in an incred-ibly short time. The white arrow was the pride of Hazlehurst. It had got by which supplies all training camps with athletic materials and musical instruments, and also to give the public a sort of visitors' day, so they might not only see the fliers perform in the air, but also the fliers and ground men competing on the fliers and ground men competing on terra firma in the sports which divert them from the grind of work and keep their bodies in trim.

The afternoon began with solo flying and ended with fifty-three planes in the air at once, those of each formation looping and barreling and diving together as one plane, in response, so Henry Woodhouse of the Aero Club of America said last night, to wireless telephonic direction from the ground. Between this start and this finale were

before the officers in charge of the events

got to him. Somewhere there was a band playing when Sergeant Coombs roared down the home stretch. A bugler was glso mentioned as among those present. But all that any one heard was the Joyous cry of those Liberty motors, matched for once by sounds of insanity from the throats of the multitude as the planes

throats of the multitude as the planes streaked past the stands.

Fifty-three biplanes set hearts throbbing again when they rose for formation flying. Whole squadrons were exhibited in concerted stunts. The climax was superb. The whole fifty-three straightened out in the sky and descended at once. It looked as if they couldn't received. couldn't possibly do it within the Bel Park enclosure, but they did. twenty seconds from the landing of the first machine the last one motionless on the ground.

The meet was under the direction of the First Provisional Wing of the United States Air Service, Lieut.-Col. Claude K. Rhinehart commanding. It of the National Aeronautic Committee.

HURLEY OFFERS TO GIVE BACK HIS LOTS

Agrees to Surrender 29 Parcels of Nassau Land at Tax Sale Price.

figures in the investigation of tax lien sales as they were conducted in Nassau county, made public last night a list of twenty-nine parcels of Nassau county land, acquired by him at tax lien sales, which he now is willing to turn back to their former owners for approximately what the parcels cost him.

Each of the lots mentioned in the list was sold by William E. Luyster, treas-urer of Nassau county. Hurley is a son of Frank E. Hurley, manager of the Jamaica branch of the Title Guarantee, and Trust Company, and altogether, if is estimated, acquired approximately 1,000 parcels at the tax lien sales. According to the testimony he gave Thursday before Magistrate Appleton, Hurley paid a total of about \$12,000 for

tax titles, and has received so far in settlements a little more than \$6,000. He still, however, has title to by far the greater part of 1,000 parcels. Settlement for these has been asked in large number of instances, but the original

GRIP DEATHS DROP; COPELAND HOPEFUL

Day's Increase of 910 Cases Due Largely to Delayed Reports, Says Official.

SEES EPIDEMIC END SOON

Hospital Patient Ends Life by Leap-Priest at Kings Park Loses Injunction.

Although figures show an increase of 713 new cases of influenza and an in crease of 197 new cases of pneumonis compared with the table of the previous made and geared exactly like day, Dr. Royal S. Copeland, Health Commissioner, explained yesterday that the increase in figure cases is due to the acnames were not announced. In fact, it is War Department policy not to make public any names of participants in competitions, but yesterday's man with the megaphone inadvertently shouted that Sergeant Coombs was the winner fewer than on Friday from these discountered to the officer in charge of the years. tivity of the authorities in getting more овлен.

The true state of the epidemic is best reflected in reports from social agencies relief centres and hospitals—all of which report a decided falling off in the number of new cases.

Many of the cases embodied in yes terday's report are from one to fifteen days old. The various agencies engaged in reporting them certify to it.

Had the Health Department know from the first the true state of affairs and conditions thousands of persons would have been saved from liness, and in many cases death, Dr. Copeland be for the department could have had the original cases isolated and at that time when the cases were few could have nursed them adequately. The end of the epidemic is looked for

very soon by Dr. Copeland, who feels very much gratified with the state of affaurs obtaining now.

Worst Is Apparently Over. "We are probably through the worst of the epidemic," said the Commissioner. Deaths are decreasing in number. Another indication is that the school atendance remained stationary this week; it had steadily decreased up to this time. Hospitals report a falling off in demands for beds and they are discharging more patients daily than are received. There

port cases, for though this epidemic may wane and die, there may be others of

There are many eminent men whe oredict that conditions of the war may oring to these shores trench fever, typhus and cholera," he said in explana-tion. "We must profit by every lesson hat this epidemic has taught us so that e may develop in this city methods for ealing with some more serious epidemic that may occur.'

There are so many families in distress because of influenza in Queens that the There will be three centres in the box ough, one at 10 Anable street, Long Island City; another at the United Chari-ties Headquarters in Flushing, and the Women's League for Service in Jamaica Nurses are needed badly. Soup kitchens will be opened in Elmburst to supply the needy, and in cases where they cannot come for it the hot foods will be take to the homes of the victims.

The New York Telephone Company again requesting the public to limit calls to those absolutely necessary. Many personal calls are being eliminated. The traffic is yet so heavy with the depleted staff that it is a burden upon the operators remaining at their posts.

Grip Patient Jumps to Death.

in a delirium. While the nurse was attending other patients at the far end of the ward he managed to break his way through the window guard and fell to the parement below, a drop of about twenty feet. His neck was broken.

PLOT TO 'RAILROAD' 3 GAFFNEY CAPTORS GRAZIADIO CHARGED

Justice Hendrick Grants Habeas Corpus Writ, Returnable To-morrow.

LAWYER ACCUSES SWANN OTHER CHANGES MADE

Murder Charge, Is Hounded by District Attorney.

Justice Peter A. Hendrick granted yes terday a writ of habeas corpus requiring the warden of a city prison to produce Arthur Graziadio in the Supreme Court to-morrow morning at 10:30 o'clock for the court to ascertain whether he is being improperly held after his rearrest number, were ill of the disease, and to for murder, upon the charge of which he this should be added something over 700 had just been liberated by Judge James T. Malone Friday morning. Graziadio, accused of killing Ferdi-

missed the indictment against him. He nim a confession of the murder. After training the confession of the was identifying two as his assailants he was if the was leaving the building. District Attorney Swann had ordered his arrest and had caused an affidered his arrest and had caused his torney that he saw Graziadio shoot into the place where the murdered man's body was found. Charles Le Barbler, attorney for Gra-

ziadio obtained the writ upon the state-ment of the defendant's brother-in-law. Lawrence Ritchie, who alleges that Graziadio was improperly arrested after be-

Calls It Knockout for Swann.

"The District Attorney has received a knockout in this case." Mr. Le Barbler declared. "He is trying his best to rail-road my boy client to the electric chair. I don't believe that the police will beat up my client this time because they have learned a lesson. If there is any justice in the land the District Attorney and

Graziadie was arraigned before Magistrate Ellsworth J. Healy in Harlem court yesterday morning on a short affi-dayit sworn to by Lieut. Francis A. Steinkamp of the East 104th street poilee station, who charges him with "sus-picion of homicide." It is based upon the statement of Sanders, which reads: "That Graziadio on August 7, while cting in concert with two other unwn men, wilfully and feloniously shot

La Regina, who was shot in the abdo-men with a revolver held in the hands of one of the three men." Sanders in telling the District Attorney that he saw Graziadio fire the fatal shot added that the two other men were standing near by.

In dismissing the indictment Judge Malone said that the evidence presented to the Grand Jury was insufficient and of a quality that did not warrant the returning of an indictment and that "I was very much amazed when I looked through this record and discovered that the defendant could be charged with so serious a crime on such unsatisfactor

evidence. Defendant Held Without Ball.

After his arraignment on the new iffidavit Graziadio was held without bail upon the motion of P. F. Marro, Deputy Assistant District Attorney. Barbier objected to the granting of the He said that he will accompany his lient into the Magistrate's court and plead for a dismissal of the short affidavit and, if it is not granted, he will go before the Supreme Court with Gra-

charge there.

Graziadio's complaint against the police will be presented to a Magistrate st. 1,100, and was expensively dressed Mrs. place. Sixteen

Clearing House Plan Received With Enthusiasm Here.

A Red Cross Shop, similar to the one in Los Angeles, which has netted nore than \$15,000 a month, is to be started here. This was decided upon by a number of Red Cross workers, mem-bers of the New York County Chapter, who met at the home of Henry C. Board of Smithtown from enforcing a lifted to-day by the State Department Frick, 1 East Seventieth street, yester-Miss Frick presided, introducing Totowa borough, Raritan township, Mrs. Charles Jeffres of Los Angeles. South Amboy and a number of other mother of the idea which has spread municipalities. Description of the west sixty-eight street station of the west sixty-eight street

the Police Department buzzed with coming for the policeman who captured coming for the policeman who captured him. Hope of reward, however, dwindled somewhat following reports that Gaffney was badly beaten between the time he left North Bergen, N. J., where he was captured, and his arrival in New York last Sunday afternoon. In addition to the detectives concerned in the capture, Commissioner Enright trans ferred six lieutenants and nine patrol-men from Harbor Squad B to various

precincts. Michael J. Quinn, formerly in charge of the West Forty-seventh street station as a detective sergeant, has been made an acting captain and assigned to detective command in the Fourth dis-trict, succeeding Capt. Thomas Walsh, who was transferred Thursday to the

West 125th street station. Lieut. Alonzo Powell was transferred from command of the West 100th street station to desk duty at Police Head-quarters, and Lieut. Maurice Bernoil from West Sixty-eighth street to West 177th street. Detective Thomas
H. Conkling has been placed in charge
of detectives at West 100th street, but
department gossip last night was to the
effect that that post soon would go to Fitzpatrick.

BOY BANK TELLER SEIZED AS FUGITIVE

Kansas City Youth and Well to Do Lockport Widow Arrested at McAlpin.

Accused of the theft of \$15,000 in cash and \$10,000 in Liberty bonds from the Stockyard National Bank of Kansas City, of which he was receiving teller. Fred-erick Byron Frank, 18 years old, was ar-rested yesterday at the Hotel McAlpin. A strikingly pretty woman who said she was Mrs. Estelle C. Lerch, a widow, 25 years old, of 87 Main street, Lock-port, N. Y., was occupying a suite with gladio to await the disposition of the the young man and she also was placed Lerch was taken before Magistrate Ten | at 2:30 P. M.

val of extradition papers

Detectives here were given a descrip-tion of Frank several days ago and he and the young widow were arrested as a steep hill toward Warburton they stepped from a taxicab at the Mc. yesterday. The brakes refused Alpin, where they have had a suite since and the car gained momentum October 23. They were taken up to their rooms after Frank had admitted his identity. He asserted that he had none of the bank's money with him. Later he produced \$2.515 from a money his arm about her, according to Detec-tives Scheuing and England, and said: "Estelle, I'm a thief. I never told you anything about it."

Frank begged the detectives not to sengers. The runaway car le arrest his companion, who, he said, had ran along the pay-inherited a fortune from her husband against the curbing and had a fine home, with motor cars. No one was injured, and servants. He denied that he had bought her presents. The police took he diamonds and the \$250 in cash she had in her possession, but both were later when no charge was made against her. Word came from Lockport last night

that Mrs. Lerch was said to have left there a week ago for the Adirondacks She is the widow of Roy Lerch, a clothie who committed suicide in his store two years ago by hanging. He left her about \$25,000. ears ago by hanging. He left her tant district attorney, he able to the Tenderloins, both new and the According to the detectives, Frank told his early morning raids if Marketing to the the tenderloins, both new and the tenderloins and the tenderloins and the tenderloins are the tenderloins.
